STATEMENTS REQUIRED BY LAWS AND EXECUTIVE ORDERS

To comply with legislation passed by the Congress and Executive Orders issued by the President, Federal executive agencies, including the Small Business Administration, may require your personal information. Such information includes identifying these laws and Executive Orders in the 13 Code of Federal Regulations (CFR) and the United States Code (USC). The following is a brief summary of the various laws and Executive Orders that affect SBA's Disaster Loan Programs. A glossary of terms can be found at disasterloan.sba.gov.

FREEDOM OF INFORMATION ACT (5 U.S.C. § 552)

This law provides, with some exceptions, that we must make records or portions of records contained in our files available to persons requesting them. This generally includes aggregate statistical information on our disaster loan programs and other information such as names of borrowers (and their officers, directors, stockholders or partners), loan amounts at maturity, the collateral pledged, and the general purpose of loans. We do not routinely make such information available to the public, and any request for such information must be made in writing and must state a specific, non-competitive harm or constitute a clearly unarticulated reason of personal privacy.

Freedom of Information Act (FOIA) requests must describe the specific records you want. For information about the FOIA, contact the Chief, FOI/AP Office, 405 3rd Street, SW, Suite 5900, Washington, DC 20416, or by email at foia@sba.gov.

PRIVACY ACT (5 U.S.C. § 552a)

Anyone can request to see or get copies of any personal information that we have in your file. Any personal information in your file that is retrieved by individual identifiers such as name or social security number is protected by the Privacy Act, which means requests for information about you may be made only if you have given your consent. The Privacy Act also requires that we publish certain information about the collection, use, and disclosure of information under the Freedom of Information Act. The Agreements and Certifications section of this form contains written permission for us to disclose the information resulting from the collection to state, local or private disaster relief services.

The Privacy Act authorizes SBA to make certain "routine uses" of information protected by that Act. One such routine use for SBA's loan system of disaster relief is to share information with state, local or private disaster relief services. This information is shared with these services to refer you to the appropriate agency, whether Federal, State, local or foreign, charged with responsibility for or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. Another routine use of personal information is to assist in obtaining credit bureau reports, on the Disaster Loan Applicants and guarantors for purposes of originating, servicing, and liquidating Disaster loans. See, 59 F.R. 39598, 58617 (and as amended from time to time) for additional background and other routine uses.

Under the provisions of the Privacy Act, you are not required to provide social security numbers. (But see the information under Debt Collection Act below) We use social security numbers to distinguish between people with a similar or the same name for credit decisions and for debt collection purposes. Failure to provide this number may not affect any right, benefit or privilege to which you are entitled by law, but having the number makes it easier for us to more accurately identify to whom adverse credit information applies and to keep accurate loan records.

Notes: Any person concerned with the collection, use and disclosure of information, under the Privacy Act may contact the Chief, FOI/AP Office, 405 3rd Street, SW, Suite 5900, Washington, DC 20416 or by e-mail at foia@sba.gov for information about the Agency's procedures relating to the Privacy Act and the Freedom of Information Act.

DEBT COLLECTION ACT OF 1982; DEFICIT REDUCTION ACT OF 1984; DEBT COLLECTION IMPROVEMENT ACT OF 1996 & OTHER TITLES (31 U.S.C. 3701 et seq.)

These laws require us to aggressively collect any delinquent loan payments and to require you to give your taxpayer identification number to us when you apply for a loan. If you receive a loan and do not make payments when they become due, we may take one or more of the following actions (this list may not be exhaustive):

- Report the delinquency to credit reporting bureaus.
- Offset your income tax refunds or other amounts due to you from the Federal Government.
- Refer the account to a private collection agency or other agency operating a debt collection center.
- Refer your loan to the Department of Justice.
- Foreclose on collateral or take other actions permitted in the loan instruments.

I have read the Statements Required by Laws and Executive Orders.

If you log out or close your browser now you will need to restart your application.

STATEMENTS REQUIRED BY LAWS AND EXECUTIVE ORDERS

Coastal Barrier Resources Act (Public Law 97-348)

Applicants whose property has been determined by the Federal Emergency Management Agency's Flood Insurance Rate Maps (FIRMs), to be in a Coastal Barrier Resource Area (COBRA), are ineligible for SBA loan assistance due to Public Law.

The Coastal Barrier Resources Act (Public Law 97-348) prohibits Federal financial assistance to applicants located in the Coastal Barrier System. Consequently, under the provisions of the law, for those applicants in the Coastal Barrier Resource Area, SBA Disaster Assistance is prevented from making any loan for:

- (1.) replacement or repair of physical damages or;
- (2.) funds for economic injury losses or;
- (3.) funds for relocation out of the Coastal Barrier Resources Area.

If you are a vacationer, or transient staying in the area on vacation, you may have eligibility for your personal property losses. To establish this eligibility you will be asked to provide documentation of your presence in the area at the time of the disaster and to support that your stay was temporary in nature.

REAL ESTATE REPAIRS/TEXAS HOMESTEAD LAW

If you intend to apply for any SBA funds to repair your home or family business, please carefully read and comply with the following. Texas law provides extensive protection for "homestead" property. Homestead property includes your personal residence, and, in many cases, your family business. Texas homestead law directly affects SBA, as well as other lenders, who provide funds for the repair or acquisition of homestead property.

In order for SBA to place a valid lien on homestead property, you and a contractor must: 1) sign a Mechanic's and Materialman's Lien Contract (M & M Lien), Mechanic's Lien Note and Assignment of Mechanic's Lien, before you begin your repairs; and, 2) file the signed contract for record in the County Recorder's office of the county where your property is located. If you are waiting on SBA funds to begin your repairs, SBA will prepare and include all required mechanic's lien documents with your closing papers, if and when your loan is approved.

I have read the Statements Required by Laws and Executive Orders.

If you log out or close your browser now you will need to restart your application.
